Children and parents are invited to come to a meeting in the Summer Term before the child starts school. This meeting is an opportunity to meet teachers, other parents and governors and to find out about the work of the school. We also arrange several afternoon and day visits for the children during the summer term when they spend time in the present Reception class.

Admission to other year groups within the school year

Application forms are available from the school or via the link at the bottom of our website Home Page. Places can be allocated by the school providing there are spaces available up to the 20 Pupil Admission Number within each year group Y1-Y6. Please contact the school office direct.

Parents will be notified in writing if they have been granted or refused a place at the school. All parents have the right of appeal if a place is refused.
