

Dear Parents

## Reading eBooks at home with Bug Club

As a school we're committed to investing in new technology and services to help children to engage with reading and we strongly encourage reading at home, both print and eBooks.

We have recently renewed our subscription to an e-reading scheme called The Bug Club. More books have been allocated for your child to read.

Bug Club's online reading world aims to help children improve their reading skills at school or home with exciting eBooks and rewards and has been designed to motivate children so that they get the most out of reading each book and want to read more.

You can use Bug Club eBooks on iPad 2s, 3s or 4s and on an iPad Mini, with operating system iOS 7.0 or above. If you have an iPad, we recommend you use iPad's default Safari browser to access our Bug Club on Active Learn Primary. If you use Bug Club on a laptop or desktop computer at home, we recommend you use Google Chrome or Mozilla Firefox web browsers. Unfortunately, Bug Club won't be compatible with any Android devices.

Please write a note in your child's diary as this will count towards the weekly quota.

Here are a few reminders

**Please use the help section on the Active Learn website for information and explanations on how to use the eBooks.**

### How to log in to Bug Club

1. Using **Google Chrome** search [www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)
2. Enter your username and password.  
Pupil's first name and initial of surname (lower case) e.g. Joe Smith would be joes  
Password is **pupil**
3. Enter your School ID - **dare**
4. Click **Login**.
5. Your homepage screen will now appear

### Questions?

If you have any questions about the Bug Club please speak to your child's class teacher or use the help section on the Active Learn website.

Children will be given the opportunity to use the reading scheme in school if internet access is not available at home.

**Happy reading**
