

Week Ending 22nd November 2019

Class 1

Bella

Bella not only makes the adults in Class 1 smile but also all the children. She is one of the most caring in the class, always helping others and listening to her friends when they are upset. Bella always listens carefully in class and can answer questions and share her great ideas with the class. Today Bella made a great map showing Mummy Owl how to get home. There are so many reasons why Bella could be our Special Mentions – she is a star.

Well done Bella.

Class 2

Maddison

Maddison is a Class 2 superstar. She is always trying so hard and participating in lessons. Maddison is so kind to everyone within Class 2 and she always loves to help Miss Higham out. Keep trying hard Maddison and shine bright.

Miss Higham is so proud of how hard you're trying!

Class 3

Olivia

Olivia is an extremely hard working young lady. Mrs Baldock knows that each piece of work she produces is always her best work as she always pushes herself to achieve her targets. You are a pleasure to teach Olivia. Keep it up!

Good work Olivia!

Class 4

Olivia

We are delighted with Olivia's hard work and attitude this week! Especially because she has really tackled her Maths work with 'gusto!' She asks for support when needed and supports others too! Olivia could receive Special Mentions most weeks because she is a kind, hardworking and determined member of class!

Well done Olivia

Class 5

Sian

Sian is in the Special Mentions Book this week because lots of staff have noticed how kind she is. She always does the right thing and will stand up for others when she feels that an injustice is done. She is a very loyal and supportive friend and a very valuable member of our class. We are lucky to have you Sian.

Well done!
