

Week Ending 15th November 2019

Class 1

Mitch

Mitch always makes us smile with his cheeky grin and chitchat. Mitch is working hard at home and at school on his letters and sounds; his ability to blend is increasing daily. Mitch may go home with the dirtiest face but he loves school and is working hard.

Well done Mitch!

Class 2

Lacey

What a week Lacey has had. She has been a superstar all week. Lacey has consistently been showing Miss Higham and the other staff members that she is being safe, kind and ready, especially when sat on the carpet. Lacey is trying so hard with her handwriting and it has been a huge improvement! Miss Higham couldn't be more proud of Lacey and her efforts this week.

Well done Lacey, keep it up!

Class 3

Finn

Finn has been chosen for Special Mentions this week because he has demonstrated lovely behaviour in every lesson. He has listened and followed instructions well, shown great kindness to others and has tried his best in every lesson.

Well done Finn!

Class 4

Hayden

We are really proud of Hayden; he has been putting so much effort into his Maths recently and is making fantastic progress! His mental arithmetic is especially brilliant I couldn't believe it last night when his parents informed me that Hayden had got full marks in the times tables check!

What a fantastic achievement, keep this up Hayden!

Class 5

Lucy

Lucy has shown Mrs O'Neill this week just what a hard working and capable young lady she is in English. She found parenthesis quite tricky at first but has persevered and proved in her independent work what a superstar she can be!

Well done Lucy!
